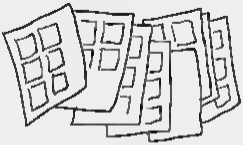
It will be funny
if a well going story
suddenly ends
with a strange
twist

That's how 10th Dimension Boys was made
one by one



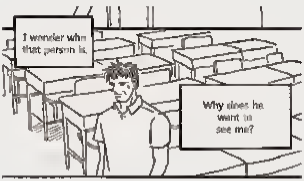
## 3 Trivia

### EP 12 New Look

It had different versions

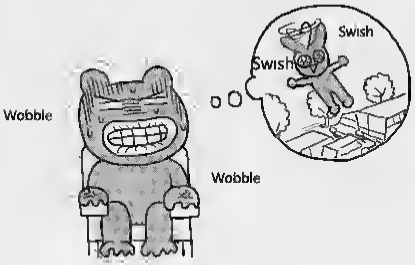
<Dad and Son>

<Teacher and Student>

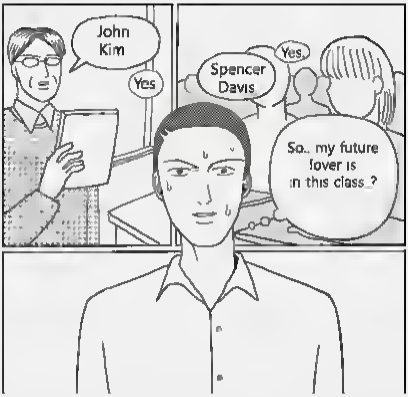


Thank you all for reading
10th Dimension Boys

Inspired when I was stuck in traffic on the bus

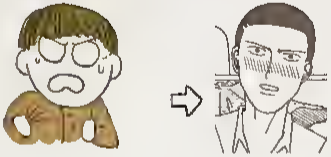


EP 62 The Future Lover

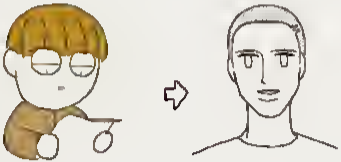


Based on the 1st episode of "Somimu"

Then took "Ahn Ganhan" and "Hah Songjo"
from my other comic "Somimu".

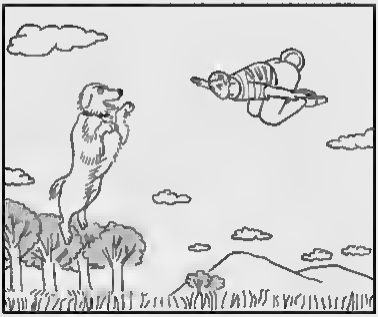


Ahn Ganhan



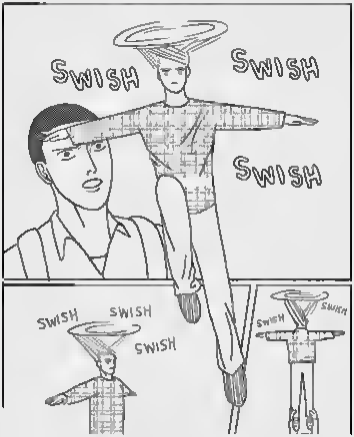
Hah Songjo

EP 15 Play Frisbee



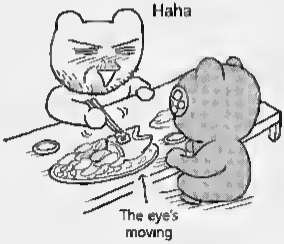
Every episode of 10th Dimension Boys was supposed to be short, but starting from this episode, long episodes were started to be made

EP 56 Going Home, Songjo?



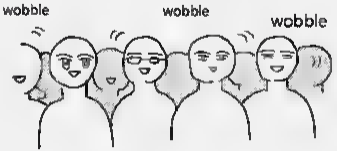
EP 96 Sashimi

Inspired by my childhood memory when my dad was putting wasabi on the fish's eye that was alive



## 2 Characters

Originally, 10th Dimension Boys didn't have fixed characters



After I signed the Webtoon contract with Naver, I decided to put fixed characters

### 1 How 10th Dimension Boys was made

One day, I felt like drawing a nice comic

Few minutes later..
